

COMPLIANCE for F07 continuing students ONLY
(2nd – 6th semesters):
*****please read completely*****

****IMPORTANT**** **PRIOR TO COMPLIANCE WEEKS DO THE FOLLOWING!**

- **Please, please** hand in your compliance verification paperwork to me **as soon as possible** - (HT-54 or, if I'm out, HT-58). ***Do not wait for Compliance week!***
- Check the expiration date on your CPR card, it needs to be active all the way through the current semester (through Dec. 7th). Remember, I must see your original card along with the copy you're handing in.
- Check with Student Health Services about any requirements pertaining to your immunizations, titres, etc., **in advance.**

****NOTE**** **If you do not have all your compliance in order, do not come in for your slip. You'll be wasting your time and creating those long lines!**

DO NOT LOSE YOUR SLIP - DUPLICATES ARE NOT ISSUED!
