

Master of Science Degree
Nursing Leadership in Health Systems
Plan of Study – Course Sequence FT/PT
Approved by Graduate Curriculum Committee
Aug 26, 2009

Semester	2 Year Full Time Course Sequence	3 Year Part Time Course Sequence	4 Year Part Time Course Sequence
Fall, yr 1	N620 Foundations of Nursing Administration Practice N684 Information Systems for Nursing N604A Theoretical and Research Bases of Nursing	N620 Foundations of Nursing Administration Practice N684 Information Systems for Nursing or N604A	N620 Foundations of Nursing Administration Practice N684 Information Systems for Nursing or N604A
Spring, yr 1	N624 Nursing Care Systems and Personnel Management N608 Nursing in the Healthcare System N604B Theoretical and Research Bases of Nursing N797 Independent Research Study	N624 Nursing Care Systems and Personnel Management N608 Nursing in the Healthcare System	N624 Nursing Care Systems and Personnel Management N608 Nursing in the Healthcare System
Fall, yr 2	N622 Quality Improvement and Program Evaluation in Nursing Systems Organizations N724 Nursing Systems Administration Practicum Elective (Innovations in Healthcare Design)	N604A Theoretical and Research Bases of Nursing or N684 Information Systems N724 Nursing Systems Administration Practicum	N604A Theoretical and Research Bases of Nursing or N684 Information Systems

Semester	2 Year Full Time Course Sequence	3 Year Part Time Course Sequence	4 Year Part Time Course Sequence
Spring, yr 2	NURS 725 Financial Management in Health Systems N726 Advanced Nursing Systems Administration Practicum N799A Thesis or N798 Comprehensive Management Project	N604B Theoretical and Research Bases of Nursing N726 Advanced Nursing Systems Administration Practicum	N604B Theoretical and Research Bases of Nursing
Fall, yr 3		Elective N797 Independent Research Study or Spring N622 Quality Improvement and Program Evaluation in Nursing Systems Organizations	N724 Nursing Systems Administration Practicum N797 Independent Research Study or Spring N622 Quality Improvement and Program Evaluation in Nursing Systems Organizations
Spring, yr 3		NURS 725 Financial Management in Health Systems N799A Thesis or N798 Comprehensive Management Project	Elective N726 Advanced Nursing Systems Administration Practicum
Fall, yr 4			N797 Independent Research Study or Spring
Spring, yr 4			NURS 725 Financial Management in Health Systems N799A Thesis or N798 Comprehensive Management Project
