CSU The California State University

TRANSFER PLANNER

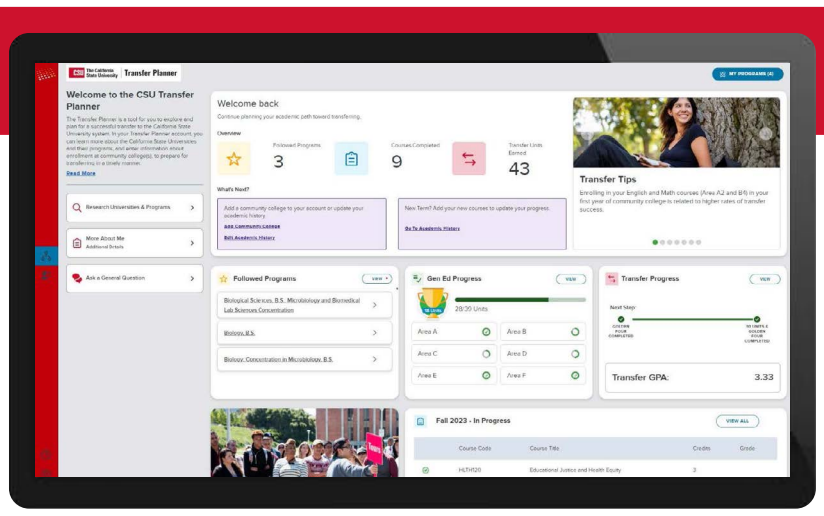

What Is the CSU Transfer Planner?

1 Your Online Transfer Planner

The CSU Transfer Planner is a free online tool that empowers California Community College students to explore and plan for a successful transfer to any of the 23 California State Universities.

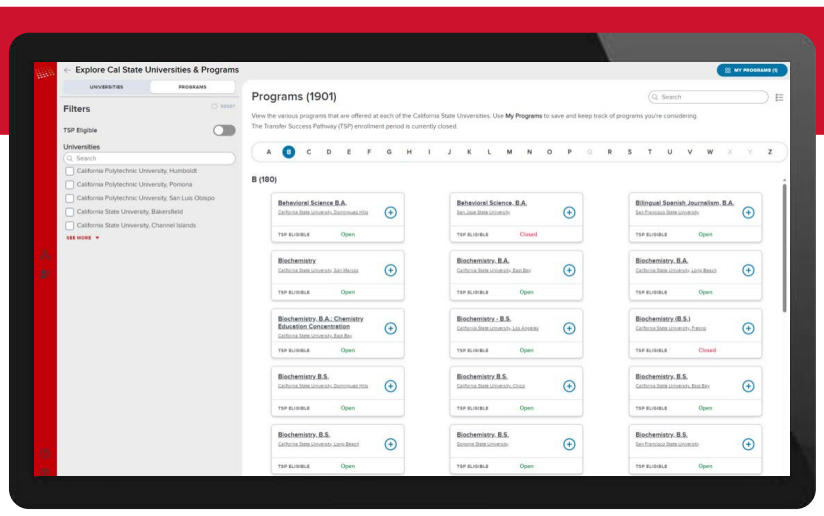

2 Where Can I Find the CSU Transfer Planner?

Visit **calstate.edu/apply/transfer** for more info, or scan the QR code to set up your account now.

More than 40% of CSU undergraduate students started at a community college.

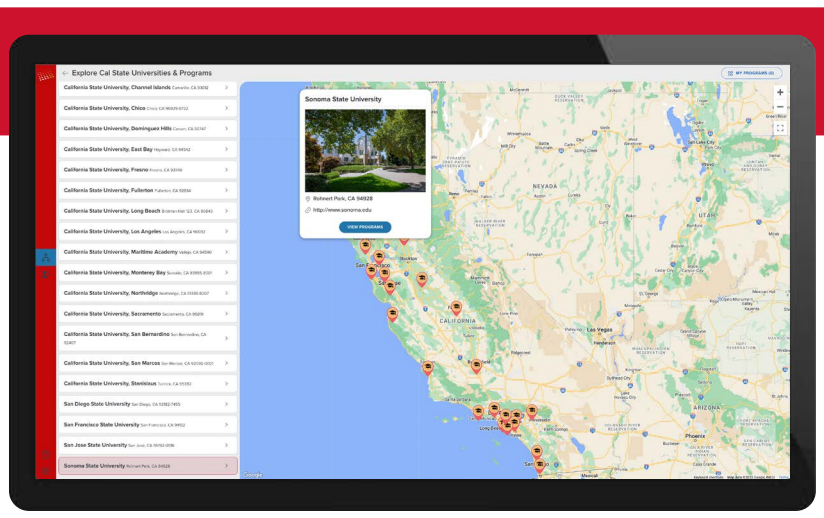

3 Why Should I Use the CSU Transfer Planner?

Everything you need to know about transferring to any campus in the CSU system can now be found in one place!

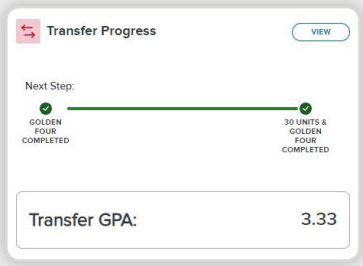

4 With the CSU Transfer Planner, You Can:

Learn more about any of the 23 California State Universities, their programs and transfer-admission requirements.

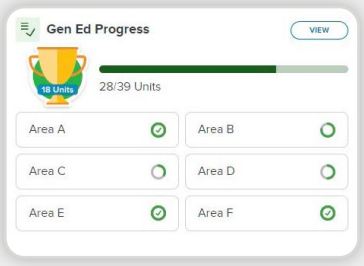

Save degree programs of interest to your online account so you can access all of them in one place.

Log your community college coursework to track general education progress and compare your current GPA against the transfer-admission requirements.

Receive helpful tips about how to successfully transfer to your chosen CSU campus as efficiently as possible.

5 How Do I Use the CSU Transfer Planner?

Whether you're already on track to transfer to a California State University or just thinking about your future, don't wait! Create your CSU Transfer Planner account today: **calstate.edu/apply/transfer**

Successfully completing required English and math courses (Areas A2 and B4) in your first year of community college is related to higher rates of transfer success.

More than half of CSU undergraduate students graduate with zero debt.
